

SBT A Natural Way Of Being

The most amazing therapeutic oils on the market today, our SBT Seabuckthorn Oils are 100% Pure, Certified Organic. SBT Oils are extracted by the most technologically advanced processes available, in order to retain the powerful and healing synergies that make SBT Seabuckthorn Oils so effective. The bioactive compounds that are in our 100% pure nutritional products are the very same bioactive compounds found in our skin care products.

SBT Skin Creams All Natural Ingredients Naturally Preserved

SBT Anti-Aging Skin Cream

Our most popular cream, this anti-aging, anti-oxidant skin cream was voted the #1 anti-wrinkle cream for 2005 and was invited to Canada's music awards The Juno's in 2006! With generous amounts of the 100% pure SBT Seabuckthorn Oils plus many other nourishing and replenishing botanicals, this fine cream for the face and throat has attracted a loyal following.

Regular use of this formulation significantly supports the fine matrix of collagen and elastin that maintain the skin's supple and youthful appearance. With the SBT oil's natural plumping action be prepared for some startling questions after a couple of months application of this cream. Comments such as "Have you had dermabrasion?", "Are you using botox?", are not uncommon for customers who regularly use the SBT Anti-Aging Skin Cream so be prepared!

A favourite with aestheticians, this cream provides a soft smooth palette for foundation and is excellent for all skin types.

SBT Anti-Aging Skin Cream Facial Spa Program

For best results cleanse in the morning and evening with the Berry Bar following the Seabuckthorn Cleansing Program. In the morning after cleansing apply SBT Anti-Aging Skin Cream to your face and throat. You will notice how beautifully it absorbs. Wait a few minutes and then apply foundation. In the evening cleanse again with the SBT Berry Bar and treat your skin to a light and nourishing treatment of our SBT Seabuckthorn Seed Oil. Apply about 1/2 teaspoon to face and throat. It will fully absorb in several minutes. Now notice how fabulously soft and smooth your skin feels. Once a week cleanse with our SBT Exfoliating Juice Bar made with 100% pure Seabuckthorn Juice Extract and our amazing Seabuckthorn Oils. The gentle action of the flavonoids and Vitamin C in the Seabuckthorn Juice extract removes impurities and dead skin and leaves your face fresh, smooth and very clean. At the same time you might want to try a facial feast of our SBT Fruit Oil. Cover thoroughly, leave on for about an hour and then gently cleanse with Berry Bar lather and rinse with warm water. A caution though, the Fruit Oil is loaded with carotenoids so is a very dark orange colour. While all the colour rinses off easily, you won't want to head outdoors with this on and you must be sure to wear appropriate clothing as it does stain!

SBT Anti-Aging Hand Cream

An effective anti-aging hand cream is an important addition to every inside out beauty program. Our hands are the most exposed area of our bodies and frequently the most neglected. They encounter environmental insults each and every day and need very special care indeed to maintain a youthful, fresh appearance.

Lightly scented with all natural Egyptian Geranium Oil, our SBT Hand Cream is infused with generous amounts SBT Fruit Oil giving it a rich feel and colour. Loaded with natural carotenoids and natural Vitamin E, the Fruit Oil hydrates and protects the skin from sun damage. In addition synergies between the phytosterols, phospholipids the abundant Omega 3 and Omega 6 in the SBT Seed Oil helps to fend off infection, repair tissue and reduce sun spots. The combination of the two Seabuckthorn Oils not only restores moisture to your hands but it also treats any small cut or irritation. You will find that our SBT Anti- Aging Hand Cream absorbs in minutes leaving your hands with a soft, smooth feel.

SBT Anti-Aging Total Hand Treatment Program

Most of us wash our hands frequently which is a very good idea! In fact, frequent hand washing is considered one of the most effective protections against contagion. However, all that cleansing can leave our hands dry and reddened. As part of your care of your hands we recommend our SBT Geranium Cleansing Bar as your daily hand soap. Like all our products it contains generous amounts of Seabuckthorn Oil to nourish while cleansing. However, no cleansing bar would ever claim to provide the nourishment the skin requires. Apply the SBT Anti-Aging Hand Cream as often as you wish during the day and at night as part of your skin care program.

By the way, our SBT Seed Oil is a fantastic moisturizer for cuticles. Be sure to apply it as part of your weekly manicure and pedicure. Once a week, perhaps when you do your manicure, exfoliate your hands and arms with the SBT Exfoliating Juice Bar. After exfoliating we recommend a full application of SBT Seed Oil. If you can leave it on for 20 to 30 minutes so much the better to give it time to do its healing and restorative work. Don't worry about rinsing it off as it should be entirely absorbed in just a few minutes. And yes, our SBT Hand Cream is fantastic for feet as well!

Products To Include In The SBT Anti-Aging Hand Care Program

SBT Day and Night Cream Combo for Normal Skin

Our SBT Day and Night Cream are the perfect combo for normal, healthy skin. A light and refreshing cream during the day and a richer and more nourishing skin treatment at night. Both creams contain our very special SBT Seed Oil. The Omega 3 and Omega 6 (Linoleic and Linolenic acid) found in the Seed Oil repair skin tissue and the hydrocarbons prevent excessive moisture loss of the skin, softening and lubricating the skin.

In addition to the restorative and nourishing activity of our SBT Seabuckthorn oils, The SBT Day Cream contains the super moisturizing properties of Hyaluronic Acid (HA) in a rich base of Mango and Shea Butters. Hyaluronic Acid (HA) has excellent water retaining properties, visually it gives fullness to the face and when applied to skin, eases wrinkles, fine lines and smoothes the surface with a slight "plumping" action. The benefits of hyaluronic acid are well documented. A rich but light daytime moisturizer.

The Night Cream also contains SBT Fruit Oil, an excellent source of Omega 7 and Rosehip Oil, a nourishing and regenerating oil used in fine, natural creams. The Omega 7 (Palmitoleic acid) found in the fruit oil is a principal constituent of skin fat and the extract is recommended for the skin softening and anti-wrinkle products. Also the fruit oil is a powerful anti-oxidant that protect against sun damage as well. Phytosterols not only improve the barrier function of the skin but also soothe irritation. Aloe Vera Gel, Jojoba, Avocado and Grape seed Oil, with African Shea Butter, Vegetable Glycerine and Vitamin E.

For extra night time moisturizing we have added special actives like super moisturizing Olive Oil Squalene, Grape Extract, Cucumber, Wild Mushroom and Japanese Green Tea, One of the key ingredients in our SBT Night Cream are naturally-derived film forming polysaccharides, derived from tamarind seeds. Recognized for stimulation of skin repair, it also assists in environmental skin protection and for premature ageing of the skin. The moisturizing ability of the tamarind has shown to be equal to Hyaluronic Acid in effectiveness.

SBT Normal Skin Care Program

The SBT Berry Bar, Exfoliating Juice Bar and 30 ml Seed Oil are the perfect companions for our SBT Day and Night Combo. Use the Berry Bar as your regular facial cleansing bar and once a week gently exfoliate with the SBT Exfoliating Juice Bar.

For best results cleanse in the morning and evening with the Berry Bar following the Seabuckthorn Cleansing Program. In the morning after cleansing apply SBT Day Cream to your face and throat. This light refreshing cream will absorb in minutes so you won't have long to wait to apply foundation.

In the evening cleanse again with the SBT Berry Bar and treat you skin to a light and nourishing treatment of our SBT Night Cream. Apply lightly to the face and throat and gently massage it in. It will fully absorb in several minutes. Now notice how fabulously soft and smooth your skin feels.

Once a week cleanse with our SBT Exfoliating Juice Bar made with 100% pure Seabuckthorn Juice Extract and our amazing Seabuckthorn Oils. The gentle action of the flavonoids and Vitamin C in the Seabuckthorn Juice extract removes impurities and dead skin and leave your face fresh, smooth and very clean. Now apply a light coating of SBT Night Cream or for a special treat apply 1/2 teaspoon of SBT Seed Oil and notice how silky smooth your skin feels.
